The Fourth Middle East International Dermatology & Aesthetic Medicine Conference & Exhibition

Dubai, United Arab Emirates
19th - 21st September 2019
InterContinental Dubai Festival City
Improving healthcare and education services in the UAE will not stop as they are a priority for the lives of the people, and will receive our utmost attention.
The Medical Conferences hosted by the United Arab Emirates lead the knowledge and development in the medical sector.
In the Middle East, the field of Dermatology has witnessed remarkable progress and development. Thanks to the efforts of a generation of pioneers who have established this specialty and paved the way for future generations with their hard work and determination to succeed, unaware of the challenges and limited resources, driven by their passion for excellence and success.

In MEIDAM, we had the honor to launch the Pioneers Award initiative as a gesture of appreciation to those who participated and contributed effectively to the fields of Dermatology and Dermatologic Surgery in the region, and dedicated their experiences to the following generations who were very proud to find a great heritage.

And each year we are honored to continue to celebrate the Pioneers at MEIDAM’s opening ceremony.

Welcome to MEIDAM

It gives me great pleasure to cordially welcome you to the 4th Middle East International Dermatology & Aesthetic Medicine Conference & Exhibition (MEIDAM) The House of Dermatology. The Conference is held in UAE, Dubai from 19th - 21st September, 2019, with a Pre-Conference Course held from 17th - 18th September, 2019. We are delighted to host the conference in its fourth appearance in the great city of Dubai the center of the world. We are happy to welcome all the delegates with our authentic Emirati hospitality.

The conference aims to present to participants the latest developments in the field of Dermatology and Aesthetics Medicine, and share advanced and innovative techniques & knowledge in Dermatology, Dermato-Surgery & Aesthetic Medicine from around the world. Through sharing knowledge and information with senior, junior and residents, the program will comprise of an exciting combination of lectures and practical workshops from variety of school of thoughts and backgrounds. This scientific conference intends to provides an evolving and unique forum for discussions and exchange among researchers and clinicians from all over the world as it facilitates the dissemination of the latest knowledge and expertise derived from research in the field of Dermatology, Dermato surgery and Aesthetics medicine. The conference is an excellent place for networking opportunities with senior, junior and resident colleagues, and we hope that it is going to form a platform for coordinating new partnerships which advances, not only the medical field, but the careers of all participants.

The conference itself is held in the great city of Dubai in United Arab Emirates (UAE) – The world’s main financial, logistic and knowledge hub. Dubai has always been an optimum destination for remarkable exhibitions and conferences due to the central proximity to the rest of the world and the modern culture. Dubai is a fascinating city that offers year-round sunshine, intriguing deserts, beautiful sandy beaches, luxurious hotels and shopping malls, and interesting heritage attractions, which will add to your conference experience and make your trip worthwhile, enjoyable and deeply enriching.

Dr. Khaled Al Nuaimi
President of The Middle East International Dermatology & Aesthetic Medicine Conference & Exhibition (MEIDAM)
Consultant Dermatologist & Laser Surgeon
In Dubai begins the tale, and within its civilization, creativity stems expressing itself through modern and artistic developments - A story of a city that turned into an icon that astonished the world, A city that made basic start a platform to unleash a great momentum of civilization and modernization.

Dubai have drawn its visions and built the foundation to the creation of a city penetrating the clouds and reaching to the sky in just few years. Besides swift construction efforts, Dubai has set a world standard in providing a joyful and safe life for its citizens. It has become a model for living, tourism, investments, and turning dreams into realities. Dubai have left a print on the global creative map holding the pioneer places among the rest of the world.

Awareness and a distinct ideology promoted by Dubai in the minds of their children, and many success stories carved on the sand and the stones that resulted in today’s most important landmarks engraved in the conscience stories rather than walls.
